Corporate/Society Golf at Hartley Wintney

At Hartley Wintney Golf Club our aim is to make your society or corporate golf day run smoothly and be an absolute pleasure, an experience you will want to repeat year after year.

Course

In June 2000 Hartley Wintney Golf Club opened the new 9 hole course extension. This has made the course into a challenging 18 hole layout for all standards of golfer. Hartley Wintney Golf Club has a wonderful variety of holes including par 3 holes where accuracy is at a premium, par 4 holes that vary in length from 287 yards up to 424 yards, each hole representing a different challenge.

The course also has 3 par 5 holes that need a little planning to play well, especially the 16th. we are fortunate to be surrounded by the beautiful north Hampshire countryside and with the added features of many mature trees and water hazards.

If you are not having one of your best games Hartley Wintney Golf Club has some lovely scenery to take in. It is fast becoming one of the finest courses in the area.

Clubhouse and Location

The clubhouse has excellent facilities including gents and ladies changing rooms, a private meeting room and an excellent bar and patio to enjoy a relaxing drink after your round. The dining area in the clubhouse can seat up to 120 people.

Our location is perfect for any corporate or society golf day. We are on the north side of Hartley Wintney on the A30, and only 10 minutes from the M3 Junction 5 or 4A and 20 minutes from the M4 junction 11.

Dress Code & Etiquette

As in every walk of life, there is a code of conduct in the Golf Club, which is intended to ensure that everyone can enjoy the game to the full. This code is a set of basic rules relating to maintenance of care, etiquette and standards on the course or in the Clubhouse. It is a responsibility of members, their guests and visitors to the Club to ensure that they all play their part in maintaining these standards.

ETIQUETTE

Etiquette covers both priority and courtesy on the course as well as care of the course. Whilst the following points are not rules as such, they are an important part of the game.

- Don't play until the match in front is out of distance.
- Always play without delay. Leave the putting green as soon as all players in your match have holed out. Do not mark your card on the putting green.
- Keep up with the group in front, not just ahead of the group behind. If you have lost a hole invite faster groups to 'play through'.
- Repair pitch-marks, replace divots and rake bunkers after use.
- Keep to the paths, don't pull trolleys over greens or tees.
- Leave the course in the condition that you would wish to find it.
- Mobile phones are not to be used on the course or in the clubhouse, other than in an emergency.

DRESS CODE

Smart casual wear is the **minimum** requirement, both on and off the course. Shorts are permitted; however, they **must be tailored** and traditional in length and design. Gentlemen may wear **short white sport socks** with shorts.

ON THE COURSE

The following are not allowed on the course

- Jeans, tracksuits, shirts worn outside trousers, sleeveless or collarless shirts or vests.
- Footwear other than golf shoes, whilst playing golf.
- Trousers must not be tucked into socks.

IN THE CLUBHOUSE

- Shoes (**Not Golf Shoes**) must be worn in the lounge or dining room
- Hats, jeans and training shoes are not allowed in the Clubhouse at any time.
- Ladies and gentlemen may wear shorts in the lounge or dining room before 6.00 p.m
